15<sup>th</sup> October 2024  
London UK

**PRESS RELEASE:  
INTERNATIONAL AFRICAN ENERGY, OIL AND GAS SUMMIT (IAEOG) NAMIBIA 2024**

**PRESS RELEASE: CONFIRMED SPEAKERS FOR THE 3RD INTERNATIONAL AFRICAN ENERGY, OIL, AND GAS SUMMIT (IAEOG) 2024**

African Peace Magazine UK is honoured to announce the distinguished line-up of speakers for the 3rd International African Energy, Oil, and Gas Summit, set to take place from October 23rd to 25th, 2024, at Hilton, Windhoek, Rev. Michael Scott Street, Windhoek, Namibia. This summit brings together some of the most influential leaders, industry experts, and change-makers in the energy sector across Africa. These individuals have significantly shaped their respective industries and will contribute profound insights into Africa's energy future. The Charity Golf Tournament and other Tour activities would commence from the 26<sup>th</sup> to the 30<sup>th</sup> of October 2024. The Speakers are;

- **Hon. Justice Suleiman Galadima (JSC, OFR, CFR, Rtd)** – Chairman of the Board, African Peace Magazine UK

Providing a friendly platform towards achieving peace in Africa

Hon. Justice Galadima is a revered figure in Nigeria's legal community, having served as a Justice of the Supreme Court of Nigeria. He is known for his unwavering commitment to justice and governance in Africa. As Chairman of African Peace Magazine, Justice Galadima plays a critical role in fostering dialogue around peace, security, and development across the continent.

- **HRH Sir David Serena-Dokubo Spiff** – Ada IX, Paramount Ruler of Spiff Town, Bayelsa State

HRH Sir David Serena-Dokubo Spiff is a prominent traditional leader from Bayelsa State, Nigeria. His deep commitment to the socio-economic advancement of his people and his influence on the region's energy and resource management make him a vital voice at the summit. He actively advocates for responsible management of natural resources in his community.

- **Dr. Martha Namundjebo-Tilahun** – Chairperson, United Africa Group, Namibia

Dr. Martha Namundjebo-Tilahun is a powerful figure in Namibia's business sector and beyond. As the Chairperson of United Africa Group, she has been a driving force behind several large-scale projects in hospitality, real estate, and renewable energy. Her leadership in advancing Africa's energy landscape and sustainable development strategies is exemplary.

- **Abiola Metilelu** – CEO, PressPayNG

Abiola Metilelu leads PressPayNG, a groundbreaking fintech company that offers education financing solutions. Under his leadership, PressPayNG is bridging the financial gap for students across Nigeria, directly impacting the education and energy sectors by creating a more skilled workforce for the future.

- **Dr. Udochu Ogbonnaya** – Executive Director, Green Energy International Ltd (GEIL)

A visionary in Nigeria's oil and gas industry, Dr. Udochu Ogbonnaya is shaping the future of sustainable energy in Africa. As the Executive Director of GEIL, he

drives innovation in the extraction and development of energy resources while maintaining a focus on environmental responsibility.

- **Mrs. Frieda Tunyoleni Amuela** – Extractive Industry Law Expert

Mrs Amuela is a respected expert in the legal frameworks governing Africa's extractive industries. Her insights into compliance and legal challenges in oil and gas operations have made her a sought-after voice in regulatory discussions. Her work ensures that Africa's natural resources are managed with accountability and transparency.

- **Mr. Immanuel Mulunga** – Former MD, National Petroleum Corporation of Namibia (NAMCOR)

Mr. Mulunga is a seasoned expert in Namibia's oil and gas industry, having held key leadership roles, including serving as Managing Director of NAMCOR. His deep understanding of petroleum resource management in Namibia and his strategic leadership have had lasting impacts on the country's energy landscape.

- **Engr. Chukwuemeka Woke** – Director-General/CEO, National Oil Spill Detection and Response Agency (NOSDRA)

Engr. Woke leads NOSDRA, Nigeria's primary agency responsible for monitoring and responding to oil spills. His efforts in promoting environmental sustainability in the face of oil extraction activities have been instrumental in safeguarding Nigeria's ecological future.

- **Professor Geoffrey Shakwa** – Founder & MD, Anti-Corruption Education Consultancy

Professor Shakwa is a staunch advocate for anti-corruption measures in Africa, having founded the Anti-Corruption Education Consultancy. His work aims to educate and promote transparency, which is critical for sustainable development in Africa's energy sectors.

- **Mr Tassius Chigariro** – Chief Executive Officer, Old Mutual Namibia

Tassius Chigariro heads Old Mutual Namibia, a leading financial services company. His strategic expertise in investments and financial management has

- **Cydolian Raveloson – Acting Director General, Madagascar Hydrocarbons Office**

Cydolian Raveloson is the Acting Director General of Madagascar's Hydrocarbons Office, where he plays a pivotal role in managing the country's energy resources. His efforts are focused on ensuring the efficient exploitation and management of Madagascar's oil and gas reserves, contributing to both the nation's economic growth and energy security.

These esteemed speakers join an already impressive lineup, including leading figures from government, academia, and the private sector, all dedicated to advancing Africa's energy future. Their participation is set to elevate the summit's discussions, fostering meaningful collaborations and forward-thinking strategies.

*"The diverse group of speakers at the upcoming IAEOG Summit 2024 reflects our heartfelt commitment to inspiring discussions that lead to tangible outcomes. These industry leaders are passionate about finding ways to alleviate poverty, create job opportunities, and enhance our GDP. Together, we envision a transformative event that enlightens the public and fosters collaborative efforts, ultimately driving meaningful change for the betterment of our communities."*-  
Chairman Hon. Justice Suleiman Galadima JSC, CFR, OFR (Rtd.)
